INFORMATION DISCLOSURE STATEMENT

Sir:

Applicants submit herewith references of which they are aware, which they believe may be material to the examination of this application and in respect of which they may have a duty to disclose in accordance with 37 CFR 1.56.

While this Information Disclosure Statement may be "material" pursuant to 37 CFR 1.56, it is not intended to constitute an admission that any document referred to herein is "prior art" for this invention unless specifically designated as such.

In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined under 37 CFR 1.56(a) exists.

Express Mail No. EL628641677US

Four of the references are listed in the enclosed Finnish Search Report dated March 7, 2001. A concise explanation of the relevance of each reference is specifically pointed out in the search report. Please note that two of these references; namely, WO 96/13930 and U.S. 4,323,918 are also cited on pages 1 and 2 of the specification. Three additional references; namely, JP-4-290090, JP-63-90985 and U.S. 5,596,228 are only cited in the specification at pages 1, 2 and 3 of the specification and the relevance of these references is set forth in the specification, as noted. A PTO 1449 listing the cited references is also enclosed.

Respectfully submitted,

Date: 6/14/2001
